*“Mother’s Love”*

A mother is a wonderful creature constructed almost entirely of love. And this she can express in a million ways. From hugs and kisses and good cooking and patient listening to stern lectures, strict rules and repeated uses of the word “no”. Like snowflakes, no two mothers are alike, but they do have a number of things in common: Name anything...a mother can be found washing it, polishing it, getting rid of it, repairing it, packing it, teaching it, redecorating it, loving it or talking it over. A mother cares for almost anything. Gardens, pets, the state of the nation, the worn spot on the rug, hungry people and most of all her children and family. For these she will do anything and fight for anything necessary for their happiness. A mother is not always an angel. She will often disagree with you, expect too much of you, question your choice of friends and bring up the subject of work when you feel the least energetic. But she’s always ready to help when you need her. You don’t always tell a mother how much you love her, or how much you hope the most wonderful things in the world will come to her, because there are no words that express feelings so deep and sincere. Somehow though, you feel she understands what’s in your heart. Mothers always do.

### *Reflections on Life*

#### *The Lord's Prayer*

Our Father who art in Heaven,

Hallowed be Thy name.

Thy Kingdom come,

Thy will be done on earth as it is in Heaven.

Give us this day our daily bread,

and forgive us our trespasses,

as we forgive those who trespass against us.

And lead us not into temptation,

but deliver us from evil.

For thine is the kingdom and the power and the glory

forever and ever. Amen
